GOLFING PARADISE IN GREECE

THE COURSES

THE DUNES COURSE

DESIGNED BY BERNHARD LANGER

The Dunes Course, the first signature-designed golf course in Greece. Open since May 2010, the impressive seaside Dunes Course is the first signature golf course in Greece, designed by two-time US Masters Champion and former Ryder Cup Captain Bernhard Langer in association with European Golf Design. This championship course, set in a diverse natural landscape beside The Romanos, a Luxury Collection Resort and The Westin Resort Costa Navarino, offers spectacular sea and river views and incorporates some links-style features in areas closest to the sea. Parts of the course venture into olive and fruit groves, while some holes run along a small river – the Sellas – which meanders through the site. Combined with large undulating greens, wide fairways and steep-faced pot bunkers, the links element of the course adds to its unique style and playability.

THE BAY COURSE

DESIGNED BY ROBERT TRENT JONES II

Open since October 2011, the 18-hole, 71 par seaside Bay Course at Navarino Bay, designed by Robert Trent Jones II, provides both a fun experience and a challenging test for golfers of all levels. Just a few minutes from Navarino Dunes, at the Navarino Bay development, the Bay Course offers an alternative set of challenges and choices in a quite different setting.

With the majority of tees offering sublime sea views and two holes playing along the historic Bay of Navarino, the course plays a little shorter than The Dunes Course at 5,614 metres from the back tees and meanders through three distinct natural landscapes. The Seaside, Canyon, and Grove holes provide striking contrasts that create a dramatic and memorable golf round.

INTERNATIONAL OLYMPIC ACADEMY GOLF COURSE

DESIGNED BY JOSÉ MARÍA OLAZÁBAL

Named as the 'World's Best New Golf Development' at the 2020 World Golf Awards, Navarino Hills is one of Europe's newest golf destinations. It is home to the first International Olympic Academy Golf Course in the world. Situated over 125 hectares overlooking the historic Bay of Navarino and the Ionian Sea.

The International Olympic Academy Golf Course measures 6,366m in length. The 18 holes hills course, par 72 has been designed to challenge the best golfers in an enchanting environment with dramatic views and memorable sunsets.

THE HILLS COURSE

JOSÉ MARÍA OLAZÁBAL

Navarino Hills is being developed as a year-round integrated resort with alternative tourism elements featuring additional innovative tourism and recreation facilities, excellent golf, dedicated wellness and countryside activities, while highlighting the uniqueness of the area.

Two new 18-hole golf courses, designed by two-time Masters champion and Ryder Cup legend José María Olazábal, are set above the coastline and offering panoramic views of the surrounding countryside, the Bay of Navarino and the Ionian Sea.

COACHING

Throughout the trip, you'll enjoy the rare opportunity to receive personalised coaching from Easiest Swing experts Séan Herron and Aaron Galbraith, whose relaxed, supportive style brings out the best in every golfer. Each day begins with focused pre-round sessions that strip away tension and build confidence — helping you develop a smoother, more natural swing that's not only effective, but genuinely enjoyable to play with.

But the coaching doesn't stop on the range — you'll also play alongside Séan and Aaron, gaining real-time insights, on-course guidance, and the kind of natural, feel-based learning that transforms your game. Their positive energy and encouragement will help you relax, let go of overthinking, and rediscover the simple joy of playing great golf.

Midweek, you can choose to take part in a short-game clinic designed to sharpen your scoring shots, or simply enjoy a well-earned rest by the pool. This is more than just a golf break — it's a chance to reset your mindset, upgrade your game, and have a brilliant time doing it.

RELAX IN PARADISE

Your golfing adventure deserves a home that matches the experience — and The Westin Resort Costa Navarino is nothing short of extraordinary. Nestled along the sun-kissed coastline of Greece's southwest Peloponnese, this five-star haven invites you to unwind in pure luxury after a day on the greens.

Imagine waking up to panoramic views of the Ionian Sea, stepping onto your private balcony with a coffee in hand, and feeling the warm Mediterranean breeze set the tone for another perfect day. At The Westin, every detail is designed to elevate your stay — from the serene design inspired by nature to the world-class hospitality that makes you feel instantly at ease.

After an unforgettable day on one of four championship courses, return to pure relaxation — whether that's a dip in the infinity pool, a sunset cocktail, or a spa treatment that melts the day away.

Wake up to sea views, savour fresh local cuisine, and unwind in surroundings inspired by nature and Greek elegance. Every moment here feels like a reward — because your golf trip deserves more than just great golf. It deserves an extraordinary stay.
