# THE COURSES

Just minutes from Palma, Arabella Golf Mallorca invites players to enjoy world-class golf surrounded by nature, history, and style. Easiest Swing Golfing Paradise in Mallorca

## GOLF SON VIDA

Golf Son Vida is Mallorca's oldest and most iconic course — a true classic that has twice hosted the European Tour's Open de Baleares. Its fairways, winding through the elegant Son Vida estate, demand precision and intelligent strategy, while its rich history is palpable at every hole. Ideal for golfers who appreciate tradition and looking for a challenge, Son Vida remains a must-play course on the island.

## **GOLF SON MUTANER**

Golf Son Muntaner, with its pristine fairways, challenging greens, and outstanding practice facilities was the proud host of the DP World Tour Mallorca Golf Open 2022, is designed to exceed expectations. This golf course is a true benchmark for golf in Mallorca where every hole rewards strategy, skill, and precision.

## GOLF SON QUINT

Inaugurated in 2007, Golf Son Quint is the youngest and most modern course on the island. Its long, open fairways and elevated position above Son Vida offer stunning views of Palma Bay and a relaxed, Mediterranean atmosphere. Designed for enjoyment, it encourages a stress-free, flexible approach to golf. Strategic bunkers, four tee-box positions, and spectacular scenery make Son Quint a memorable experience for golfers of all levels.

# UNLOCK YOUR POTENTIAL

Rediscover the essence of your game. Instead of looking back on past results, explore the untapped potential that lies ahead.

This retreat is designed to provide practical insights and meaningful breakthroughs, ensuring you leave not only informed but truly inspired.

Throughout the week, you'll enjoy a truly special opportunity to receive personalised coaching from Easiest Swing expert Séan Herron, whose passion, experience, and dedication to the Easiest Swing philosophy offer a truly unique learning experience. Séan shared a close personal and professional relationship with founder Brian Sparks, and has since become a leading figure in bringing the Easiest Swing approach to golfers across Europe.

Each morning begins with focused pre-round sessions designed to ease tension, build confidence, and help you develop a freer, more natural swing — one that feels effortless, effective, and genuinely fun to play with.

The learning continues out on the course, where you'll play alongside Séan, gaining valuable real-time feedback, on-course guidance, and an intuitive, feel-based understanding of your game.

This is more than a golf holiday — it's a complete reset for your mindset and your game, blending world-class coaching with relaxation, enjoyment, and unforgettable experiences both on and off the course.
